

Report on World Aids Day Awareness Programme

The Extension Cell of Lumding College in association with Red Ribbon Club & NSS unit of Lumding College organized a programme to celebrate the occasion of 30th anniversary of World Aids Day on 1st December, 2018. An awareness programme on the theme "Know Your Status" was held at the College campus at 10:30am where total of 10 teachers and 125 students participated. The principal, Dr. Mrinal Kanti Paul gave a brief talk on the theme. This was followed with raising slogans and placards inside the campus and visit of nearby schools by the participants to raise awareness, educate and improve understanding of HIV as a global public health issue.
