

REPORT ON

Two-day National webinar on 'Value of Biodiversity and Legal practices to conservation of Biodiversity.'

A two-day national webinar was organized by the Environmental Science Committee, Lumding College, in association with Assam Science Technology and Environmental Council (ASTEC) on 13th and 14th September, 2020. The resource person of the webinar was Dr. Parimal Chandra Bhattacharjee, retired Professor from the Department of Zoology, Guwahati University. The chairperson of the webinar was Dr. Mrinal Kanti Paul, Principal, Lumding College. This webinar was coordinated by Dr. Sanghamitra Das Bose, convener of the Environmental Science committee and the joint coordinator was NSS Chowdhury from the Department of Botany, Lumding College. The webinar was conducted over Google meet platform. A total of 52 students and 25 faculty members attended the webinar. Over the two days of the webinar, the resource person enlightened the audience on topic of Biodiversity, the importance of biodiversity and the need to preserve it. He also highlighted the various ways in which biodiversity can be preserved including various legal practices and Acts that have been passed for the conservation of the same.
