

Report on Observance of Earth Day 2022.

Earth Day 2022 was celebrated globally on Friday, 22nd April, 2022. The theme for this year is "Invest in our Planet" which focuses on the effect of climate change on the planet and what efforts are adopted to tackle the problems associated with climate change along with the measures taken to preserve and conserve our planet Earth. It also aims to raise awareness about the growing concerns of overpopulation, loss of biodiversity and depleting quality of the environment.

This important event was also observed at Lumding College, Lumding, Assam, where the Department of Geology along with other departments organised a programme to celebrate the Earth Day enthusiastically under the banner of IQAC, Lumding College. The Principal, Dr. Mrinal Kanti Paul, faculties of various departments, students and the non-teaching staffs of the college participated in the programme. A plantation drive was carried out where teachers along with students planted different species of trees in the college campus and neighbouring schools and colleges wherein they interacted and explained the role of trees in maintaining and preserving the environment. A rally was carried out bearing slogans highlighting the importance of protecting the environment in order to generate awareness among the general public in building a sustainable future.

Glimpses from the event.

Group photo of the participants, with the banner and Play cards bearing the theme and slogans to save and protect mother Earth.

Tree plantation by Dr. Sujata Sen, Dr. Nibedita Dutta (Geology) and Pradip Ch. Das (English dept.) at a school campus in Lumding. Tree plantation by Dr. Mandira Dutta Gupta, HoD Pol Sc., at Pranab Vidyapith High school campus in Lumding.

Picture of tree sapling planted with the name of the planter, Trisha Debnath, a student from Geology dept. Lumding College.

Group picture with the students of Pranab Vidyapith High School, Lumding.
