The seminar started at 11:30 am. At first there was an inaugural session where the Principal of Lumding College, Dr. Mrinal Kanti Paul and Subhash Upadhyaya, State Head of ICT Academy presented their welcome notes. Next, the moderator of ICT Academy gave a brief introduction of the two speakers of the day. After the introduction of the speakers, the first technical session started where the first speaker Abhay Ranjan addressed the audience.

His session was an interactive session with the participants where he had a one on one conversation with them. He asked about their aim in life and their interests and accordingly prescribed ways by which they can pursue them.

After his session, the speaker of the next technical session was Julie Krubhavathi. In her presentation titled 'Nurturing Graduates on Industry Readiness' she outlined the present employability scenario, the employability skills required in the 21<sup>st</sup> Century and the various ways in which one can prepare themselves for employment in various sectors.

Then there was brief interaction between the participants and the speakers where the participants cleared various queries they had. The seminar ended with a Vote of Thanks by ICT Coordinator, Dr. Satyajit Dey Baruah.
