

Report on NAAC Preparedness & NEP 2020 Implementation Training at Lumding College

A significant stride towards enhancing the academic standards and preparedness of Higher Education Institutions (HEIs) in Assam was made on 27th February 2023, as Lumding College hosted a comprehensive "Training on NAAC Preparedness & NEP 2020 Implementation in HEIs of Assam". The event was organized in collaboration with the UGC-Human Resource Development Centre, Gauhati University, Guwahati-14, Assam, with the participation of 36 enthusiastic individuals from Middle Assam South Zone. The training program, sponsored under RUSA 2.0, aimed to equip participants with the necessary knowledge and skills to align their institutions with the standards set by the National Assessment and Accreditation Council (NAAC) and effectively implement the guidelines of the National Education Policy 2020.

Dr. Mrinal K. Paul, the esteemed Principal of Lumding College, inaugurated the event with an insightful address. He emphasized the significance of continuous improvement in higher education and how initiatives like NAAC accreditation and NEP 2020 implementation play a pivotal

role in shaping the future of HEIs. His inaugural speech set the stage for an engaging and informative training session.

Following the inauguration, the trainers for the program were felicitated. Experts and professionals in the field of accreditation and education policy were invited to conduct the sessions. Their wealth of experience and expertise added immense value to the training, ensuring that participants received the latest insights and practical knowledge.

The training sessions covered a wide range of topics, including the NAAC accreditation process, key parameters, documentation requirements, and strategies for effective NEP 2020 implementation. The trainers engaged participants through interactive discussions, case studies, and hands-on activities, fostering a participative learning environment.

Participants actively engaged in interactive discussions, sharing their experiences and concerns. The collaborative nature of the discussions allowed for the exchange of best practices and insights among the participants, creating a network

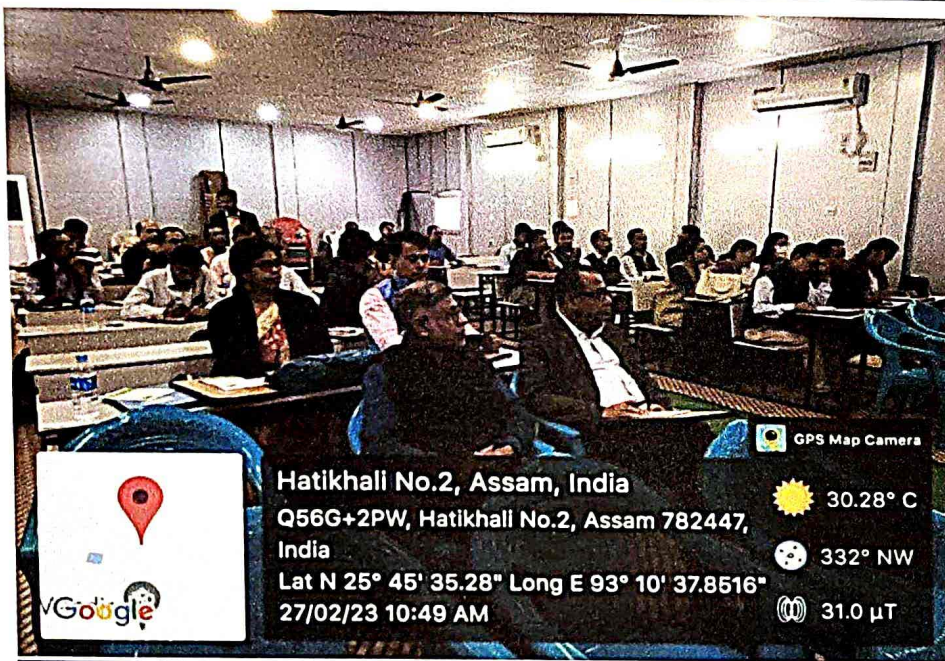

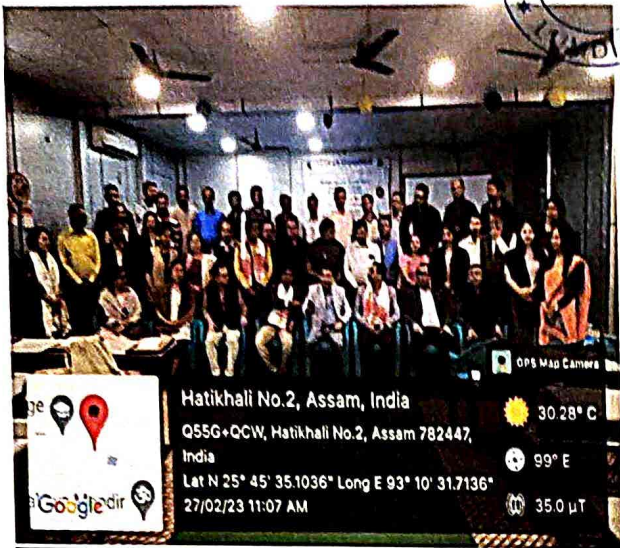

of knowledge-sharing within the Middle Assam South Zone.

The training program on NAAC preparedness and NEP 2020 implementation organized by Lumding College, in collaboration with UGC-Human Resource Development Centre, Gauhati University, was a resounding success. The initiative demonstrated a commitment to quality

Education and institutional development in the region. The active participation of 36 individuals from various HEIs in the Middle Assam South Zone indicated a collective effort towards enhancing the academic landscape. The insights gained from the training are expected to contribute significantly to the ongoing efforts to elevate the standards of higher education in Assam.
